Hi all

First of all, I want to thank each of you for helping with this ambitious under taking. It clear that each of you has a lot to bring to the table and with everyone ones help, we will help revive the Vermont Corridor. As stated in our last meeting, we need the three council districts to prioritize the goals for there districts and to have the goals ready to present at our next meeting. Also at our next meeting, we can start to build our resources and working identifying leaders for each of the sectors. I would like to propose that we hold our next meeting on Thursday April 19th at 1500 hours at Olympic Station. Please respond and let us know if you can attend.

Best
